- Number of consumer packages: 3

Highlights

Click-and-go portability

Click-and-go portability with plug-and-play convenience! Simply plug the USB cable directly into any USB port and your computer automatically recognises this as a removable USB mass storage device. No need for a battery or adapter. MAC and PC compatible.

USB plug for power

With plug-and-play convenience, the USB cable plugs directly into any USB port and your notebook automatically recognises this as a removable USB mass storage device.
